

SEEDS OF HOPE

INTERNATIONAL PARTNERSHIPS

Dear Partners,

Thank you for joining with us to help bring hope to the people in Zambia.

In a few short weeks we will be sending 1,125 new plastic model bio-sand filters to Zambia which will enable us to bring clean water to thousands of people. Our hope is to fill the extra space in these containers with supplies that are needed both for the resource center and the SHIP house where our teams stay while conducting trainings.

We have provided a comprehensive list of items we need donated. After you have reviewed this list there may be specific items that you would like to provide. Please let us know the items you are donating, especially if they are items that we only need a limited amount of.

All items may be new or gently used. We are happy to receive used items, we only ask that they be in good working condition, clean and ready to use. It would be extremely helpful if items are packed in boxes (fragile items need to be packed so they will not get broken in transit) and ready to load into the container. We also need a detailed list of the contents of each box; one copy that is placed inside on the top of the contents of the box and another copy taped to the outside top of the box. This is very important as it is required by customs.

Boxes and items should be brought to our office before or on June 1st. Drop off hours are Monday – Friday 9am - 5pm. Please call (805) 202-8456 for special delivery arrangements.

Seeds of Hope International Partnerships
710 Mesa View Dr.
Arroyo Grande, CA 93420

Oversized or overweight items need to be delivered directly to Mountainbrook Community Church. Please call Bobby deLancellotti (805) 305-5671 to arrange delivery of these items.

Thank you so much for your efforts and the generous gifts of love that you are sending to the Zambian people! If you have any questions please call us at our office at (805) 202-8456. To find out more about what we are doing in Zambia visit our website at www.sohip.org.

God Bless you!
